The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
2413 Rayburn HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the NYC Neighborhood Internet Network Expansion in fiscal year 2027. The entity to receive funding for this project is the New York City Department of Housing Preservation & Development, located at 100 Gold Street, New York, New York 10038. This funding would ensure that low-income households have proper access to critical online resources, such as job postings and telehealth. The project is an appropriate use of taxpayer funds because it will help families and individuals remain connected to their communities, thereby helping to reduce social isolation and learning loss associated with disparities in technology and internet access.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Hakeem Jeffries".
