The Honorable Rosa L. DeLauro  
Ranking Member  
Committee on Appropriations  
2413 Rayburn HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for ADA: Van Sicken Avenue / Fulton Station in fiscal year 2027. The entity to receive funding for this project is NYS Metropolitan Transportation Authority located at 2 Broadway, New York, New York 10004. This funding would allow for increased safety, transit access, and greater economic competitiveness for the neighborhood of East New York in Brooklyn. The project is an appropriate use of taxpayer funds because it will improve quality of life for the riding public, particularly for individuals with disabilities, seniors, and parents with young children who rely on the station. It will improve customer experience and expand access to opportunities for East New York residents by investing in a facility that is critical to providing connections to jobs and vital institutions throughout New York City.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Hakeem Jeffries".
